PRODUCT DESCRIPTION

Designer: [GIBILLERO Design](#)

LEMMY looks like a simple sitting and has a very clean design; the lightness of composition is given by the regular forms of the 4 wooden slats of the seat which are supported by two side legs, coated steel, consisting of a composition of oblique planes that create a particular perspective effect. Minimal and economical, this seat is designed for both public and private spaces.

Max Dimensions:

1500 x 445 x h 445 mm.
