

# BENCHES: MARILYN

| Categories: [BENCHES](#), [URBAN SMART LIVING](#), [URBAN SMART LIVING](#)

## PRODUCT DESCRIPTION

Designer: [GIBILLERO Design](#)

This bench was thought for public spaces and private gardens. MARILYN has a light structure: wood and steel create a fine and essential structure. The white laquered steel structure frames the seat back and supports the the exotic wood seat.

Also available in single bench and seat without backrest.
