

BENCHES: VOLEE

| Categories: [BENCHES](#), [URBAN SMART LIVING](#), [URBAN SMART LIVING](#)

PRODUCT DESCRIPTION

Designer: [GIBILLERO Design](#)

La VOLEE bench stands out for its lightness in materials and for its simple composition. One dish in steel, as a colored wire, surrounds the exotic wood staves of seat and backrest, and draw the shape. Soft and without edges this bench has many possibilities of use, both in external environments such as parks that within commercial structures.

Overall dimension:

dimensioni: 1900 x 590 x h 850 mm

altezza seduta: 455 mm

Materials: [steel](#), [wood](#)
