ROMEO is a variant that includes a cover, of the "MINILLERO" bin, and is equipped with a single very large single inner basket and a top cover plate for protection.

The basic form is the squared one but the rounded corners give the bin a soft and elegant look, ideal for both outdoor and indoor use in public buildings and shopping centres.

On request it is possible to create laser cut pictograms on the side surfaces.

Overall dimensions: 570 x 570 x h 940 mm
