

RECYCLING BINS: PEBBLES

| Categories: [LITTER BINS](#), [RECYCLING BINS](#), [ECO DESIGN](#)

PRODUCT DESCRIPTION

Elegant two-section bin for waste recycling. Already sold abroad in several shopping malls, PEBBLES is the ideal container also for shops and airports which look for something attracting, which catches the attention of passers-by, and encourages recycling. The plaques identifying the waste to be thrown in the bin are customisable in writing and colours. PEBBLES is available in the MINI and MAXI size.

This product is entirely made in Italy from steel subjected to an electrolytic galvanising cycle and subsequently painted with PP powders with Ral colour of your choice.
