PRODUCT DESCRIPTION

DUO ECO SECURITY is a two-section container for waste collection for outdoor. Fitted with polycarbonate transparent sections (or without) that allow the content of the sacks inside to be checked as a guarantee of greater security. These types of litter bins are thus especially suitable in airports, stations and schools. Colours and text can be customised.

For the realization of this product made in Italy, Steel EN10111DD11 is used and later treated with a cycle of sandblasting, cataphoresis and powder coating. Such cycle is meant to guarantee the protection of the painted products, in an environment of C4 corrosion class, as requested by the UNI regulations EN ISO 12944-2. The products are eventually polyester-powder coated with RAL colours at choice.
