

WALL RECYCLING BIN: METRÒ

| Categories: [SECURITY LINE](#), [ECO DESIGN](#)

PRODUCT DESCRIPTION

Wall hanging recycling bin with two compartments. Its semicircular shape makes this product easy to be placed anywhere. It's ideal for train and underground stations, where the waiting areas aren't very spacious. The lid has a universal triangular key lock. Colours and text can be customised.

This product is entirely made in Italy from steel subjected to an electrolytic galvanising cycle and subsequently painted with PP powders with Ral colour of your choice.
